[The Team Won't Be Taking Highways On Their 435-mile, Three-day Journey To Rome](#)

## Your network can do things you never thought possible.

In the new energy world, distribution problems are solved before they become problems. OpenWay® Riva™ uses distributed intelligence to analyze the grid instantly. Visibility increases, response time is minimized and action is taken precisely when and where it is needed.

Welcome to the active grid. Efficient. Resilient. Ready to take on the challenge of delivering cleaner energy in smarter ways.
